

**A CONCURRENT RESOLUTION urging the United States to withdraw from the Security and Prosperity Partnership of North America and the North American Free Trade Agreement (NAFTA).**

*Whereas*, President George W. Bush entered into the Security and Prosperity Partnership (SPP) of North America with the nations of Mexico and Canada on March 23, 2005; and

*Whereas*, On March 31, 2006, a White House news release confirmed the continuing existence of the SPP and its "ongoing process of cooperation"; and

*Whereas*, The economic and physical security of the United States is impaired by the potential loss of control of its borders attendant to the full operation of NAFTA; and

*Whereas*, A NAFTA highway system from the west coast of Mexico through the United States and into Canada has been suggested as part of a merger into what is called the North American Union (NAU) and the broader plan to advance the Security and Prosperity Partnership; and

*Whereas*, Future unrestricted foreign trucking into the United States can pose a safety hazard due to inadequate maintenance and inspection and can act collaterally as a conduit for the entry into the United States of illegal drugs, illegal human smuggling and terrorist activities; and

*Whereas*, State and local government throughout the United States would be negatively impacted by the SPP and NAU process, such as the "open borders" vision of the SPP, eminent domain takings of private property along the planned highways and increased law enforcement problems along those same highways; and

*Whereas*, A NAFTA highway system would be funded by foreign consortiums and controlled by foreign management, which threatens the sovereignty of the United States; and

*Whereas*, This trilateral partnership to develop a North American Union has never been presented to Congress as an agreement or treaty, and has had virtually no Congressional oversight

**Now, Therefore, Be it resolved** by the House of Representatives of the State of Kansas, the Senate concurring therein: *That* the Kansas Legislature urges the United States Congress, especially the Kansas Congressional delegation, to use all of their efforts, energies and diligence to withdraw the United States from any further participation in the Security and Prosperity Partnership of North America and the North American Free Trade Agreement; and

**Be it further resolved:** *That* the Kansas Legislature urges Congress to withdraw the United States from any other bilateral or multilateral activity, however named, which seeks to advance, authorize, fund or in any way promote the creation of any policy or structure to accomplish any form of North American Union as described in this resolution; and

**Be it further resolved:** *That* the Secretary of State be directed to send enrolled copies of this resolution to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives.

*The membership of the House Federal and State Affairs Committee is:*

<b>What:</b>	Hearing on a resolution <b>against KS participation in the North American Union!</b>

There is a hearing on a resolution by Judy Morrison at the KS state house on St. Patrick's Day, Monday, Mar 17, 2008, at 1:30 PM Central time in room 313-S (third floor, south wing, the "old supreme court room"). The resolution is supposed to be **against KS participation in the NAU/SPP**. [ <http://www.spp.gov/> ]

Please let everyone know about the meeting. Perhaps bring some medium sized posters with anti-NAU, pro-American sovereignty themes. I hope to bring some DVDs with me.

For an overview of the NAFTA Super-Highway, and the proponents and architects of the North American Union, search on Google Video [ <http://video.google.com/> ] for "endgame".

Here is some contact info for Judy Morrison:

Jerome Corsi has a lot of good information on the SPP. Search Google on "jerome corsi spp".

One group helping fund the NAFTA Super Highways is called Innovative Finance. Google "innovative finance nafta".

One prominent proponent for the NAU is David Rockefeller, of "Robber Baron" lineage. Hold on to your few remaining possessions! Google "rockefeller nau" and "rockefeller robber baron".

Please consider running for office on Ron Paul's issues and/or helping us find candidates across Kansas and the US to do so: <http://www.ronpaulreferendum.net/>

Joseph . . . there is PLENTY of material for that in my "Treason Abounds ~ Gov't Cabal Plots North American Union (NAU)" which is linked to the top of my homepage. There are sections that talk about the Kansas City SmartPort and the 'non-profit' NASCO (North American SuperCorridor Coalition) that DOES receive our tax dollars (see the section by Nancy Boyda).

As for a speech which ties all that they are doing to the fact that it is violation of our Constitution . . . please read or listen to my Washington, DC speech titled "About the NAU ~ What You Don't Know CAN Hurt You!" which can be found here: <http://www.stopthenorthamericanunion.com/SpeakingEvents.html>.
