

Text from **O-No-Care S.1796 The Healthy Family Act** (*aka The Happy Insurance Companies Act*) is at:
http://votekansas.no-ip.org/~jlmartin/s1796_pcs.html

This is based on the text from [<http://thomas.loc.gov/cgi-bin/query/z?c111:S.1796:>] (based on the XML) in a hopefully more convenient format, with defined terms linked to a section showing all defined terms linked back to the point of definition. With more time I could improve the indexing, but this needs to go out today.

Regarding coverage of abortions: It assures that there will be at least one plan that covers abortions that are prohibited from receiving federal funding! Nice contradiction in a federal bill.

Regarding the power of Congress to impose this fascist assault on our liberties and the Constitution: Pelosi said (of course) that the power is from the "Commerce Clause", and yet I do not see any reference to employers or employees being involved in interstate commerce or not.

1. Call your SOBs (Servants Of Bankers) at **877 SOB U SOB** – Call once for each Senator: ask by name and/or state.
2. Tell his/her staffer that you are instructing the Senator to vote against this unconstitutional assault upon our personal rights and liberties, upon the privacy of Americans and our employers, and upon state sovereignty.
3. Tell the staffer that residents and businesses in your state are not the slaves of the federal government, and that they will not be obliged to follow this unconstitutional seizure of power that was never granted to the federal government.
4. Your the staffer that you will work to instruct your state legislators to oppose enactment of this unconstitutional, illegal act in your state, and also to instruct them to impeach any Senator from your state that supported or voted for this assault upon the very Constitution that every Senator swears an oath to defend and uphold.

Call **877 SOB U SOB** early and often to instruct our SOBs in D.C.
